Youth For Christ!!!!

What greater goal could a congregation achieve than to raise our young people to have a love for Christ and His church? Today is a special day at South Gate, and if you are visiting with us know you are our honored guests.

Today is special because it is the culmination of months of hard work and dedication on behalf of our young people. They have been focusing on ways to develop their God given talents in a way that will help bring Him glory. We are so proud of our young people, and the many adults that work with them on a regular basis.

Make sure to encourage these young men and women as they lead in singing, teaching, reading scripture and prayer. At South Gate we are focused on raising our youth for Christ, and we can see the future is bright!
