A Mother's Place

Where is a mother's place?
A simple answer will not suffice
They are in so many places
Working in love on a daily basis

Nursing an infant as they come into the world
Loving every child whether a boy or a girl
The side of a small child with a wounded knee
Sitting with a young one who is learning to read

Teaching her children about God's love
And about His Son who was sent from above
Staying up worried with a child who is sick
With held breath as her son shows her a new trick

Cheering for children in the stands, rooting for their team
Full of pride in them all as they reach for their dreams
Comforting her children as life gets rough
Letting them know God is with them - This is enough

Giving sage advice as the golden years come
Creating memories with grandchildren the
center of the fun
How can one go on without mother she has been
here from the start?

We go With Her because a mother's place is in our heart

Happy Mothers Day!!

John

The Love of a Mother

*1 Samuel 2:19 Each year his mother made him a little robe
and took it to him when he went up with her
husband to offer the annual sacrifice.*

Hannah was desperate for a child. Year after year she went childless. In bitterness of spirit, she prayed to the Lord for a son. So badly did she want this son that she made a promise to God to give him back to the service of God once he was weaned. This was a huge sacrifice on her behalf. She did not go back on her promise. A son was born and he was named Samuel. She brought him to Eli to be raised in the service of God. Can you imagine her inner feelings as she left to return home without this boy that she wanted so badly? Hannah was only going to see her son on an annual basis. The Lord did allow Hannah to have other children but this son was never out of her mind. Each year she would lovingly make a robe for him and deliver it him at the annual sacrifice.

Godly mothers are always looking for ways to sacrifice for their children. It is a great blessing to be raised by a godly mother. She will desire for you to be close to the Lord and willing to serve the Lord throughout your life. Just like Hannah, the child will always be within her thoughts. Mothers are always considering what they can do that will most help her child. She will sacrifice her time, her energy, her sleep, her efforts, her money, her food and anything else that will improve her child's life. As Mother's Day approaches, think about the countless sacrifices made by your mother to help get you where you are today. May God continue to bless our mothers and the impact that they have made on our lives.
