Isn't it wonderful to be able to come together in the presence of God and worship Him. He is worth of our honor and praise. If you are visiting with us, please know you are our honored guests. Please come be with us any time you can.

Today we will be begin a new Sermon Series entitled **"Home Improvement"**.

Between now and Father's day our lessons will focus on our families and how they can grow closer to God's intended purpose. I know God will bless our families as we strive to fulfill His will in our homes.

We also want to wish a Happy Mother's Day to all of our mothers today! As a nation we stop to honor our mothers, and we will keep this in mind with our lessons from God's word as well. Honor your father and mother is a commandment as old as Moses that we still want to practice today. Thank you for joining us this morning!
