Teens in Student Center
6:30 pm

It is so good to have each of you join us as we come into the presence of the Lord this morning. Our goal is for His will to be the center of our lives and our worship.

We are so proud of our young people at South Gate. They have such energy, passion, and we are excited about their potential in serving the Lord. They are in the middle of their study for the Bible Bowl and once again we will center our lessons around their studies. This morning we will look at the theme of one of the books they are studying. The Joy that is to be found in the Christian life is repeated many times in Philippians and this morning we will consider how we can come to know that joy.
