What a powerful and encouraging Sunday at South Gate. We set a new attendance record of 429. I wonder what it would be like if we had that many every week and what kind of building program we would have underway? Let's make every week an opportunity to invite friends and family members to be with us.

We also rejoice with the public response of our Sister Heather Jones. She came asking for prayers on behalf of her health and her walk with the Lord. If you do not know her, take the time to do so. It is always great to see someone moved by the Gospel and embrace the prayers and support of the church.

Brian

THANK YOU NOTES

There are not enough words to express Ed's and my appreciation for all the prayers, concern and love shown us during Mother's illness and death. Our church family is very precious and hold a special place in our hearts. —Love, Ed and Joyce Johnson

Additional notes have been received from Sis & Willie Farless and Gene Porter.
