Welcome!

Good morning! To all of our friends and family we welcome you and are honored by your presence on this special day at South Gate. This morning, as we begin our new year, we will spend extra time in our worship of God and focus on His desire for our lives. May we all lift up our voices and praise His high and holy name!

This year our theme will revolve around focusing. In 2020 we want to focus our lives and our actions around the will of God. In 2020 we want to see God clearly, understand His vision for our lives and focus our efforts in such a way that He will be glorified. This year our goal is to avoid distractions and instead make sure we are focusing on what is most important.

During our lesson this morning we will begin by focusing on God's vision for our lives. God has a plan and a purpose for each and everyone of us. To fulfill God's vision for your life is the greatest purpose you can ever fulfill. The question we will consider is how can focus our lives in such a way that we see and fulfill that vision? May God's word help guide us in that direction, and may He open our hearts in order to help us as we strive to find that focus. You have made a great step toward focusing your life by being here this morning. May God bless us by opening our eyes in 2020!
