6:30pm David Morris - Going On To Glory

Teens in the Student Center

Good morning! We are so glad to have each of you with us as we come into the presence of our great and powerful God to offer Him our tribute of praise. We are thankful for your presence!

This morning we will look at a shocking moment in scripture. It happens in a moment of great stress. It is unexpected and occurs in an instant, and could have possibly led to disastrous consequences. It is a moment that would forever be regretted, but it is also a moment that led to a great recovery and restoration. This morning we will examine the denial of Jesus Christ by the apostle Peter.

We will look at the events leading up to Peter's denial in order to see the warning for our lives contained in this story. We will see what Peter did, and ask ourselves, "Is it possible that I could do the same?" We will look at Peter's <u>Roadmap to Denial</u> so that we can do our best to stay off that road. We are glad you have chosen to join us on this special day!
