Teens in the  
Auditorium

Good morning! We are so glad to see each one of you today. It is a wonderful time to come together and focus on our God and Father, and give Him the praise He deserves. He has been so good to us, and His desire is to bless us in every aspect of our lives. We are so glad you are here!

This month we will focus on giving thanks to God for all He has done for us. For believers, the attitude of gratitude is mentioned time and again in scripture as an important part of our daily walk. Our study will look at effects of thanksgiving, barriers to thanksgiving, and the importance of counting our blessings. This morning our focus will be on how we can offer thanks to our God. Let us all seek to be more thankful to God for all He has done for us!
