Once again I want to remind everyone of the many great things going on here at South Gate. Of special interest are our Wednesday night Bible classes.

First: A class for women being taught by Natalie Thomas. Natalie a talented teacher and is approaching a variety of topics specifically related to women. So far the participation in this class has been great.

Second: A class for men entitled "Band of Brothers". We simply want to encourage and strengthen the men of South Gate. We will cover a variety of topics related to men.

Third: A class for everyone taught by Joe Macer in the Auditorium. Joe is an outstanding teacher and continues to challenge and encourage everyone in his class to greater faithfulness.

If you are not a part of regular Wednesday night class, you are missing out.
