Guests
 We ask that you please fill out a green card so we can have a record of your attendance. Restrooms and an attended nursery are located in the front hallway to your left as you exit the auditorium.

What a wonderful day to come together to praise our God and Father and to remember our Savior Jesus Christ! If you are visiting with us we are so glad to have you at South Gate. We are a growing congregation that is seeking to serve our God and do our best to follow the teachings of the New Testament. If you are looking for a church home we would love to talk to you about your walk with God and how we could assist you on your path.

This morning we will conclude our study on giving thanks to God by considering the power that is found in Thanksgiving. As in all aspects of life, the teachings of the Lord about Thanksgiving is meant to enhance and better our lives. Our God wants to bless us, and that is why He instructs us to be thankful. There are many positive outcomes that bless a thankful life to consider, and we will finish our thoughts by considering ways that we can give thanks to God this week.

A lack of sleep. Freezing cold temperatures. Hikes through the woods. These are all huge pieces in having a great fall retreat! The thing that is the most important, though, is the spiritual growth that took place. The retreat this past weekend was phenomenal! The classes and singing were so spiritually uplifting, and those who participated in the prayer walk enjoyed a time of meditation and prayer! The friendships that were built and strengthened will last a lifetime!

For me, it was an amazing first retreat with South Gate! Thank you to everyone who encouraged Amelia and me throughout the entire process! We can't wait for next year's retreat!
