6:30pm

Teens in the Student  
Center

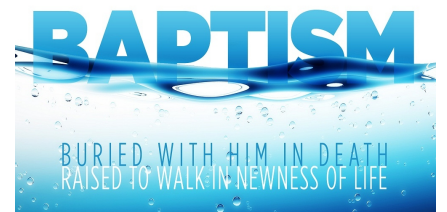

Good Morning! It is good and right for us to come into the presence of the Lord to offer Him our praise and to give Him thanks. If you are visiting with us, we are honored by your presence and pray this morning will be a blessing. We want to grow in faith, righteousness, and love as God's people, and we would love to have you join us.

We all fail at times to give thanks to the Lord for His care and goodness to us. This morning we will look at some mindsets that can become barriers to thanksgiving in our lives. They are common in our society, but we can not let them sneak into our lives as God's people because they will rob us of our gratitude and prevent us from giving thanks to the Lord. May we put aside every thought or feeling that could be a barrier to giving thanks. Thank you for your presence!
