Good morning! It is wonderful to come together to praise our God and glorify His name. If you are visiting with us, we want you to know you are an honored guest, and we pray you will be blessed by worshipping the Lord and hearing a message from His word. He is worthy of our praise.

This month our lessons are going to focus on God’s dealings with man. The Bible gives us a history of many stages in which the way God dealt with man changes after sin entered the world. From the moment sin caused man to be separated from God, He began His plan to bring us back together again. In scripture we see God making different agreements with man. This morning we will see the agreement God enters with Abram that was based upon a promise God gave to this man who believed and trusted in Him. May we learn from this story how to better follow the Lord and trust in His promises.
