Guests
 We ask that you please fill out a green card so we can have a record of your attendance. Restrooms and an attended nursery are located in the front hallway to your left as you exit the auditorium.

We are so happy to have each and every one of you with us this morning! We are blessed to have so many who want to come together to worship God and listen to His word for us. If you are visiting with us, we are so glad you are here, and we hope you stay afterwards and let us get to know you.

Last week we started to examine how God's dealings with man has changed through the years. In the days of Abraham, Isaac and Jacob, God dealt with man through promises that He made to them. They were not always real detailed, or very clear to the mind of those who received them, but God asked them to trust Him in faith and believe, and they did.

This week we will see the next way God dealt with man, through the law of Moses. On mount Sinai God gave the Israelites a law to follow through His servant Moses. This law had its purposes, but we will also see in scripture that it was flawed and incomplete. God gave them this law, but its main purpose was to lead them to the final means of God blessing man, a precious gift!

South Gate Stocking Drive

The annual stocking drive started eight years ago as a service project for our Tweens group. That first year we collected roughly 20 stockings and worked with Vanderbilt Children's Hospital. The following year, several adults mentioned an interest in helping with the stocking drive. In our fifth year, we decided to take the effort to Maury Regional Hospital. We expanded the collection to involve the whole congregation and the program has grown dramatically ever since. Last year we were able to deliver approximately 120 stockings for patients who are in the hospital for Christmas. This year we are hoping to deliver more than 150 stockings. Talking with the volunteer staff at Maury Regional, our effort really helps brighten the day for their patients at a tough time for most of them since they would rather be many other places for Christmas besides a hospital. Join us in making Christmas a little brighter for those who are facing a tough time.
