**Welcome!**

Good morning! What a blessing to be able to come into the presence of our Lord and to honor and praise His name. May we all clear our minds of all the distractions of this world and focus solely on God and His Goodness. We are so blessed to be able to live lives blessed on His will and His word. May He bless us with wisdom to see it and the strength to accomplish His desires for our lives.

**DON'T  
BELIEVE  
YOUR  
EYES**

This morning we will focus on the perspective that will help us to be all that God wants us to be, and that is the perspective of a winner. While the devil wants us to live defeated, beaten down lives our God and Savior wants us to have the perspective of victors! In 1 Corinthians 15:57 we see the proper perspective when we hear “thanks be to God, who gives us the victory through our Lord Jesus Christ.” The world tries to convince us that we are on the losing end of things, but God wants to open our eyes to the fact that we are more than conquerors!!! Let's dive in His word and see what God says about our ability to walk through this world focusing on our victory.
