## Welcome!

What a wonderful day to worship the Lord! If you are visiting with us we are so glad you have joined us as we spend this special time of devotion to our God. We want this time to be pleasing to God and encouraging to us and to our God. A perfect God calls imperfect people to come into His presence! He wants us to voice our requests, to share our needs, and to rely on His strength. He has given us His word to study and to guide us so that we can avoid the many pitfalls that come in life. What a blessing to be able to consider His will together!

**DON'T  
BELIEVE  
YOUR  
EYES**

If you are visiting with us, welcome to South Gate! We are so glad you have joined us. Last week we began a new series focusing on the world through God's eyes. Many times in life we fail to see things clearly. It may be because our vision is blurry, or unfocused, but sometimes our eyes can fool us. This morning we will focus on the fact that everything that appeals to our senses is not good for the soul. God's word give us clear warnings that can help protect our mind and our hearts when it comes to God's will for our lives.
