March 10, 2019

Welcome!!!

We are so blessed to be able to come together to enter into the presence of the Almighty Creator and to offer Him praise. We want to give Him honor and this time is about Him. Our desire is to become more and more like Him in how we think and what we do. If you are visiting we are so happy you are here, and want you to know you are our honored guest.

This morning we will begin a series looking at a question from God to the nation of Israel, "Is there any God besides me?" They were living in the promised land with the temple of God in their presence, but they had not set their hearts fully on the Lord. In fact they had decided to serve idols made by man. Would we do that today? For the next four weeks, we will examine God's question, and test ourselves by looking at various things that can compete for Lordship in our lives. Plan to be here and grow!
