## Welcome!

Good Morning! What a wonderful day to come together to worship our Lord in Spirit and truth! It is troublesome time in the world, but we gather today as the children of the creator of all and we come to seek His will and give Him praise. He is worthy of praise. Thank you for your presence today.

This morning our lesson will focus on the proper Christians perspective when facing challenging times. We will look to God's word to find how we should walk in faith down whatever road we face. In the midst of dark times God's people have the opportunity to shine as lights in the world and reach others who are struggling. How can we walk this road in a way that will bring glory to our God. This will be our focus this morning.
