# Welcome!!!

What a wonderful day to come into the presence of our Lord to praise His name and seek His will. If you are visiting with us we are honored by your presence and invite you to come back and be with us any time you can. If you are looking for a church home our elders would love to talk to you.

Last week we began a series looking at God's question in Isaiah, "Are there any other God's besides me?" In Isaiah's day the Israelites had allowed many other things to take God's rightful place in their lives, and it happens today as well. This morning we will continue this series by examining things in life that can come between us and God. This lesson is a warning from God's word to make sure we allow God to be in His rightful place in our lives. It should also encourage us to be on the alert about things that we can allow to sneak into our lives and control our actions. As Christians, may we never allow anything to take God's place in our lives.

Make plans to come back tonight, as we begin to examine true statements of Jesus in the gospel of John. Twenty-five times Jesus will say "Truly, Truly" in the gospel. What statements made Jesus want to express Himself in a way that reminded everyone that His words were the truth? Come back tonight as we dive into this study!
