This morning the subject will be God is obligated to This is known as save all men. universalism and many people believe that everyone will go to heaven. What do the Scriptures teach? Tonight will be a thought provoking lesson. someone were to ask you if God causes natural disasters, how would vou respond? Is he behind earthquakes, hurricanes, tornadoes and other calamities or is it just natural laws or maybe something like global warming? Does the Bible give any insight into this question? I hope that today's lessons will make us to continue to be students of God's word.
