We are so glad you have come to worship the Lord with us this morning. Today is a special day at South Gate as we remember the beginning of our congregation! It was 64 years ago this month that members of the Riverside (now Northview) congregation decided to step out on faith and establish another congregation of the Lord's church on the east side of town. This decision caused growth in the church and has been a blessing in this community. Today, we want to think about the characteristics that led to this decision and ask how we can have these same ideals moving forward as a congregation. If a handful of individuals could help a church grow to over 300 members, what can a group of 300 do in the next ten years? Come grow with us!
