Wednesdays

Teens in Student Center  
6:30 pm

We are so glad you have joined us as we enter God's presence together! He is worthy of our praise and our goal is to be pleasing to Him in all we do. If you are visiting with us we are so glad you are here, and we are honored to have you as our guests.

This morning we continue our sermon series on Home Improvement. Our lesson will focus on our need to help our young people come to know God and His will for their life. Parenting is a daunting task and it is not one we should have to do alone. There are two great sources we must turn to in raising our children. First of all, we must ask for God's blessing as we strive to raise faithful young people. We also need a community of people to help us teach God's word to our children and grandchildren. Thank God for establishing His church as a place that allows us to aid each other as we raise our most precious possessions...Our Children.
