MISSION WORK SUPPORTED BY SOUTH GATE

The missionary that our congregation has supported the longest is Dino Tzanetos in Athens Greece. We have supported Dino for over 30 years as he works with the church in Athens, Greece. Dino is a native of Greece and has been a great worker for the Lord there for many years. He is actively involved in many areas of ministry there including a prison ministry and teaching at the Athens Bible Institute. Dino and his wife Mata have had a particularly difficult time in their work the past few years. The economy in Greece has been terrible and the congregation of the church there has been greatly affected. The unemployment rate of the members has been greater than 90% at times. Many members who were in Greece from foreign countries for work have left because there were no jobs and they could return home and at least be able to eat. Dino and Mata have worked tirelessly to help the members in any way possible which has been physically and emotionally draining. Please continue to remember all of Greece and especially the Christians in Athens in your prayers.

Simon Hui is another missionary we support in Hong Kong, China. Simon and his wife are natives of China. They came to America and were educated at Christian universities. They spent a few years working in Vancouver, Canada sharing the gospel with a large Chinese population that is there. For the past ten years they have been back in their homeland working to spread the gospel. The work in China is difficult for many reasons, including government interference. The population in China is very large and in need of the gospel. Pray that the work Simon and other missionaries there are doing will be fruitful.

Congratulations to Daniel and Aleia Scott on the birth of their son, Clayton Don, on June 21 weighing 7 lbs. 5 oz and 20 1/2" long. Proud grandmother is Beverly Ledford. Proud cousin is Ethan Lovett.
