Good morning! It is good to come into the presence of the Lord to praise His holy name. If you are visiting with us we are so glad you have joined us. It is an exciting time at South Gate as we have had a number of families place membership with us. If you are looking for a church family please let us know, and our elders will be happy to talk to you.

This morning we will continue to examine Ecclesiastes to help our young people prepare for the Bible bowl. Solomon is trying to make sense of this world, and he is looking for something everyone is searching for...Satisfaction. We will find some advice for this search, but we will also see that lasting satisfaction will never come to man outside of a relationship with their creator. May He enlighten our minds and touch our hearts to do His will in a greater way.
