Good morning! What a wonderful day to dedicate time to honor and offer praise to our God. He is worthy! If you are visiting, welcome to South Gate. If you are looking for a new church home we would love to have you join us in living and working for the Lord.

This morning we will begin our study of the second book our young people are reading for the Bible bowl. Daniel was a young man with a choice to make. What do you do when it looks like the evil of the world is winning and those who follow God are losing? Daniel was placed in this situation and had to decide between following the world or holding his ground and staying faithful to the Lord. His story is one of great faith by him and his friends, and one of great faithfulness of our God. I pray this study encourages us to hold our ground and always remember that our God has a will, and His plan is what will determine the outcome of our lives.
