What a wonderful day to come into the presence of the Lord to praise His holy name! We are so blessed to have so many that share this desire, and to live with the freedom to come together at any time. If you are visiting with us, we are thankful for your presence.

In two more weeks our Revival will begin! This morning we want to focus on the work that will need to occur in order to make sure the gospel message will get to as many people as possible. Matthew 28:18,19 is our theme verses this year, and they tell us to **GO** in the world with the gospel message. What can you do to fulfill this command during the next two weeks? We have a number of plans and there is a role for all. We want to encourage everyone to find one and determine to be a part of this work. It is our job to spread the word, knowing God will bless our efforts. We must sow the seed liberally, and do our part to let others know about the Lord's saving message.
