Good morning! What an exciting day at South Gate! We have planned and worked to make this a special week at South Gate. We come to the Lord to hear His word, worship His name, and we ask Him to revive us. We pray for God to revive our country, our community, our families and our lives.

We believe God can bless us more than we could ever hope to be blessed by our own efforts. If you are visiting with us we thank you for your presence, and we hope you will continue to come back and join us as we seek God's blessings on our lives.
