Center

We are so glad to have each of you here this morning. What a wonderful time to come together to honor God and strive to get to know Him and His will better. If you are visiting with us we want you to know you are our honored guests, and we ask that you stay around and let us get to know you.

This morning as we continue our study of Daniel we will look at the prophetic dream of Nebuchadnezzar in Chapter 2 and God revealing it and its meaning to Daniel. This dream and its interpretation will not only tell of the next four world empires, it will also solidify Daniel's position within the Babylonian government. Daniel is placed in this position by the Lord so he can make a difference for God. May we all consider what we have been given by the Lord and how He would want us to use our gifts to His glory.
