Good morning! It is so good to see each and every one of you with us today. We are so blessed to be able to come together into the presence of our loving God and to praise His holy name. If you are visiting with us we are so glad you are here, and we hope you are blessed by our time of worship.

GETTING INTO SHAPE

This morning our series on getting into spiritual shape continues with a very important step that each of us can improve on in our lives. We must understand that living a life that pleases God is a process that involves forming our lives around His will. When we take steps to do this, we will find ourselves more in the shape He desires for us. This morning we will look at the need for kindness in our lives as we continue to get into shape.
