What a wonderful morning to come into the presence of our God! We come together to remember our Savior, honor His sacrifice, and reflect on our lives in relation to our service to Him. If you are visiting with us we are so glad you are here, and we hope our service is a blessing to your life.

We welcome back our youth group from the Bible bowl yesterday. We are so proud of their hard work, and of the work of Ryan and Angie Massey and their team of adults. Thank you for helping our young people study the word of God!

This morning we will look at a very important aspect of the Christian life - spiritual growth. One of our goals as disciples of Jesus Christ should be to grow more and more like our Savior everyday. This is a daunting task, but it is one that we strive for with the help of our God.

Today we will look at ways for each of us to take the next step in our relationship with God. In an audience of this size, there are different stages of maturity, but we all have one thing in common. We all have the need to grow in our relationship with the Lord. Our focus this morning is on how to reach that goal.
