Mission Work In Belo Horizonte, Brazil

New brothers in Christ!

God is giving the increase here in Brazil! Silas, the young man in the pictures above, understood what he had to do to become a child of the Lord. Also, Daniel (to the right) decided to be baptized after several Bible studies we had with him! God is good!

One of our elders, Marcio, rejoicing as Daniel becomes a Christian!

Welcoming our visitors personally during the worship services!

I taught the men at Central for a month about how Christians should deal with the transgender ideology, an issue that is hitting our country now! Please pray for us!

Organizing events and teaching the church in Belo about praising our God with songs!

Group of men from Belo who traveled to Uberlandia!

Prayer and discussion groups!

I have been invited to serve at one the most uplifting men's retreat in Uberlandia, MG, Brazil!

Many responded to the invitation with broken hearts!

As a result, 3 souls were saved!

Our Furlough this year was a great blessing! Ana, Alice & I felt really loved and cared for each individual we stayed with! We would also like to thank all of the congregations that allowed us to give a report of God's work in Brazil! We couldn't do any of this without your prayerful and financial support! Here are some special moments we registered with church buildings and members of the missions committee: We love y'all!
