*"See, here is water. What hinders me from being baptized?"*  
Acts 8:36

Paulo (above), Denilson (side), Andre (below), and a few others had the same reaction as the Ethiopian in Acts 8 after the Bible studies we had together! Please pray for these new converts! To God alone be the glory!

We encourage our young men to minister every element of the worship service whenever there is a fifth Sunday in the month.

The efforts to plant and establish the Lord's church in smaller cities in the state of Minas Gerais continue: In April we organized a campaign to help the church in Ipatinga, and in May we had Bible studies with several people in the city of Lavras! Please pray for us!
