## A New Testament Church

One of our goals at South Gate is to be a faithful New Testament Church? This morning we will begin a series focused on what this means. We know the church of the New Testament was a growing, thriving, group of Christians who were saved (Acts 2:42). Isn't that what we all want?

For the next few weeks, we will focus on two aspects of the New Testament Church. The way it grew, and the stories of the conversion of those who believed in Jesus Christ. May God bless us as we try to be a New Testament Church!
