July 20. 2014

It is hard to believe the Summer Series is almost over. This is the final Tuesday night. If you missed any of these lessons, they are available on our website and on DVD in the library. This means next week we will resume our regular Wednesday night services

In the coming weeks, I will begin a new class on Sunday mornings in the Fellowship Hall. It is a video series entitled, "gods at war". On Wednesday nights we will take a look at the greatest commandment and examine what it really means to love God and love others.

Brian

THANK YOU NOTES

Thank you so much for helping me travel back to Saba on spring break this year!!! We did some amazing things on that tiny island in the Caribbean.

This year our theme was the Woman At the Well and what we tried to do all week was to meet everyone at their well, or in simpler terms, where they were in life at that moment. By doing so, we were able to connect and learn about them as a person so that we could give them what they needed right now! It was an incredible week and I know our team changed lives forever.

I could not have done this trip without you, and for that I am forever thankful. You may not have been physically present on Saba, but your donations to me helped change lives. —Trey Newport

Thank you all so much for my senior Bible and for my scholarship money. I really appreciate these gifts. The scholarship will really help me out this year at Lipscomb.
