Rejoice in the Lord always and again I will say rejoice! This past Tuesday night, Trevor Scott came forward confessing sin, requesting prayers and seeking to restore His relationship with God and His people. I commend Trevor for his honesty, courage and confession. It is my prayer as Trevor reaches out to God, we as His people will show him the love and give him the help he needs. I also hope each of us will be more honest about our personal need for God and His grace within our lives. While Heaven rejoices at Trevor's return, let's rejoice too and pray for and with him. —Brian

### THANK YOU NOTES

We as a family would like to thank the congregation for the many acts of kindness shown to Darlene and me through her confinement. Thanks for the beautiful flower arrangement, the food sent to the funeral home and the delicious meal provided after the service, also to the Ladies Bible Class for all the acts of kindness, cards and visits while in confinement. It meant so much to our family. In Christian Love, O.G. and Family

I would like to thank you all for the cards, food, and donations made in my mom's name and especially the prayers.

Fourteen of our South Gate members have returned to the U.S. from their mission trip to Mexico! They had a great week and gained so much from their experiences feeding the poor, doing service projects, and working with the children at the City of Children. They would like to express their deepest gratitude to everyone who made this trip possible. They cannot thank you enough for your generous donations, as well as all of your prayers and support. You helped make this mission that much more powerful! God bless you and thank you again for your support!

### THANK YOU

Thanks so much for all the cards, calls and visits during my mom's three year stay in Hillview. I know it meant so much to her to see familiar faces. Thank you for the beautiful flower arrangement, meal at the funeral home and meal after the funeral. I would also like to thank those who were able to come to the visitation and funeral service. All of these acts of kindness meant so much to all of us to know how much my mom meant to all of you.
