The month of October is almost over and the Holiday season is quickly upon us. Where does the time seem to go? Before we wish the year away we all know it is not over yet. The last two months of the year our FAMILY theme brings us to the Y, You and anyone out there. The work of the church is always so personal. It is about others yes, but it takes individuals to make it work. The Lord is always looking for one more, YOU. He is asking YOU to live out your faith and make a difference. He is asking YOU, to support the work of His Kingdom. He is asking YOU, to be His hands and feet in this world. I think we can all appreciate this more when we realize He died for YOU! Let's never overlook the personal nature of our Lord's sacrifice for us and the personal expectations He asks from each of us in return.

Working For The Master Participants, Thank you so very much for the care package you sent me. The snacks and toiletry items are all very appreciated. I also thank you for the time and energy it took to make the package. It was such a thoughtful gesture. Love, Samie Anderson
