Each year we have lots of special anniversaries. I know each year you are married is "special". However, I am speaking of those anniversaries that have a 5 or 0 in them. This coming Wednesday, August 27th, marks Jim and Martha Wilsons, 70th Anniversary! This is no doubt extra special for so many obvious reasons. They have been influential in the lives of so many and have been devoted to one another in the deepest of love throughout their entire life together. I once asked Jim what it takes to be married that long, he responded with "She knows she is my number one and I know I'm hers". What a lesson we all can learn from this. I hope we will practice this in our own marriages and encourage it in others.
