Teens in Youth Center

As we continue our weekly study of, "Love: The Heart of The Matter", it is important to think about the ideas of love and how they apply to each of us. Love is far more than just a feel good emotion, it is an ethic and a way of life. Jesus said it is the defining characteristic of His followers (Jn. 13:34-35). Additionally, Jesus said love is the greatest of all commandments. This love is twofold: We love God and love others as our self (Mt. 22:34-40). Paul said it is of such importance that without it as the motivation behind our actions, what we do is useless (1 Cor. 13:1-8).

The real challenge is who do you love and what does it look like? God expects love to be way more than just words and emotion, it has to be back up by action not just towards family and friends but, brethren and the lost. How are you showing love?

### HEALING HANDS INTERNATIONAL
