I pray that God will bless our focus on Christian homes this month. Thanks to Joyce Johnson for sharing a great recipe below.

Recipe for "A Happy Marriage"

Take two happy people - one male and one female - and separate them from their parents. Add the following ingredients in generous proportions:

Love
Acceptance
Respect
Communication
Patience
Kindness
Gentleness
Self-control
Commitment
Faith
Hope
Truth

Mix together, then thoroughly sift in daily life. Strain out jealousy, arrogance, selfishness, provocation and accounting of wrongs. Bake in the trials and tribulations of life for 50 years, then celebrate when golden.

May God continue to bless us with many golden marriages here at South Gate!

John

The Times

Ecclesiastes 7:14 When times are good, be happy; but when times are bad, consider: God has made the one as well as the other. Therefore, a man cannot discover anything about his future.

This time of year it is exciting to watch young people who have completed their years of education and about to begin a new journey. We have been blessed to have five graduates from South Gate this year. These five are dedicated to the Lord and his church. They have been involved in the youth activities as well as their school functions. I believe that each would say that life has been good. Each anticipates the future will be fantastic as well. Solomon says when times are good be happy. Each of us should examine our life and be thankful for what God has done for us.

Solomon also reminds us that sometimes things don't go as we have planned. Yes, times can be bad. Never forget that the same God who has blessed you with good times is still your God when things may not be going so well. I pray for smooth sailing for these five graduates but if you encounter some times that are not according to your plans just remember God is still God and he is in control. The truth is we do not know what our future holds but we know that God will work for our eternal good. Strive to make heaven your home. We will find great happiness and joy in God's holy city. Life is a journey. May we take God with us each step of the way.

Joe
