Be Rich!!

What a great day Sunday was with 28 care baskets being assembled and delivered! There were around 50 kids and 12 adults passing out baskets during the afternoon. A big thanks to Jody for organizing this great event. Sunday Night we had a special message from our missionary in Greece, Dino Tzanetos. It was one that none of us will soon forget. The hardship that they are still enduring in Greece is beyond our comprehension but he keeps telling the Christians there to Give thanks, Trust God, and share. What a great example to us on how to deal with hardships and how to live a Christian life.

I was moved by many of you who wanted to give to the Christians that are in so much suffering in Greece I know that a few thousand dollars were given. It reminded me of Paul's commands for those with physical blessings in I Timothy 6:18,19

¹⁸ Command them to do good, to be rich in good deeds, and to be generous and willing to share. ¹⁹ In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life.

We can all BE RICH in doing good deeds, sharing with others, and making sure that we lay up treasures in heaven with the things that God gives us here on earth. We are all so blessed to know how to take hold of the life that is truly life. Have a great Thanksgiving!

John

Give Thanks To The Lord

Psalm 105:1 Give thanks to the Lord, call on his name; make known among the nations what he has done.

The act of thanksgiving is a daily aspect of the child of God's life. Once a year is not sufficient for expressing thankfulness to God. This week take some special time to say thank you. We are to call upon his name. Every person should offer prayers of thanksgiving. Consider your gifts from God from the moment you rise from your sleep at night until you find your bed again at the end of the day. We are blessed people. We have numerous material possessions that make our life so much easier than even a few years ago. Very few of us can remember days without electricity, running water, indoor toilets and washing machines. Give thanks to the Lord. We are blessed with medical helps. Many life saving procedures are available that not long ago would have ended our life. Medicine and surgeries provide relief from diseases and painful situations. Give thanks to the Lord. We are blessed with income. Work is a gift from God. This income provides for the daily needs of our families. Give thanks to the Lord.

The writer called upon God's people to make known among the nations what he has done. As you gather with friends and family talk about what God has done. At family gatherings there will be family members that need reminding of what God has done. Especially remind them of the spiritual blessings found in Christ. God has blessed us with peace, mercy, grace, forgiveness, compassion and love. God has blessed us with hope for this life as well as hope for eternal life. Express thankfulness to God and before others to bring glory to his name. May you have an enjoyable Thanksgiving day this week - and be thankful.

Joe
